The nomination of Carran, by the Norter Emman, was, though made in this presence, the last one for them that could have been devised. He is cypnishly and capable; lest a most insolerant and malignant Pro-Slavery man. He is of the New York Adamantic school—Hunker to the last justs. If our friend believe that he is to be defeated without some sharp work, they are laboring under a grieve matalax; and use ward these sizes that tweey vote matalax; and use ward these sizes that overy vote will be wasted; and that every vote man be get out. Vote early!

Look to the Adderson.
